

Call for Tutorials

The sixth Pacific-Rim Symposium on Image and Video Technology (PSIVT2013) Organizing Committee invites Proposals for Tutorials to be held in conjunction with PSIVT2013 in Guanajuato, Mexico, October 28th - November 1st, 2013. Tutorials are arranged on October 28th and 29th, 2013. Each tutorial is planned to be held within four hours. Special topics of interest include (but are not limited to):

- 3D Television
- Vision-based Driver Assistance
- Current Standards in Image/Video Encoding and Transmission
- Large-scale Imaging
- Imaging and Graphics Hardware and Visualization
- Image/Video Processing and Analysis
- Image/Video Retrieval and Scene Understanding
- Applications of Image and Video Technology
- Biomedical Image Processing and Analysis
- Computer and Robot Vision
- Pattern Recognition
- Video Surveillance

Important Dates

Tutorial proposal deadline: August 16th, 2013
Tutorial acceptance notification: August 23th, 2013
Tutorial dates: October 28th-29th, 2013

For more information and details, please visit the website at <http://www.psivt.org/psivt2013/>.

Submitting a Proposal

Proposals for tutorials should include the following information:

- Information about the tutor (name, affiliations, main areas of expertise, e-mail, fax, telephone).
- Title and the type of tutorial (lecture, or interactive workshop).
- Short abstract of the tutorial, including: goals, motivation, main content.
- Outlines (list of topics).
- Short discussion of why these topics are of particular interest, and to whom the tutorial is of interest.
- Requirements for the tutorial room (please note that our capabilities in fulfilling unusual requests are limited).
- Requirements for the attendants (e.g., must bring own laptop or other hardware, familiarity with certain technologies or topics).
- Any limitations (e.g., number of participants).

Proposals for tutorials should not exceed four (4) pages in total. Please submit your proposal in PDF format by e-mail to the PSIVT 2013 Tutorial Chair, Petra Wiederhold (pwiederhold@gmail.com). Please do not hesitate to contact us with any questions. We are looking forward to receiving your proposals.
